

October from the 16th to the 20th

For the 30-year ERASMUS birthday, we decorated our school.

A journalist and television cameraman TF1 came to film us.

Ciboulette cooked a Hungarian cake with poppy seeds.

She played the game "H.O.M.E. " on the carpet of the map of Europe.

She sang the European anthem and "To build my house " in French and Hungarian.

She also sang in English "The wheels on the bus. "

She showed the hall exhibition to the journalists.

She greeted them in the Hungarian language:

"Szia !" (Hello), "Üdvözlünk !" (Welcome), "Vitzontlátásra !" (Goodbye)

We also invited our parents to say goodbye to Ciboulette, which will soon go back to our friends at the Budapest school in Hungary. Ciboulette sang with us in choir and we tasted together our delicious Hungarian dishes.
