Transportation in Bordeaux

Transportation in London

Transportation in İstanbul

Transportation in Budapest

Transportation in Malaga

Transportation in San Bartolomeo

Old and New Technology

Spain

Turkey

Time passes but we have still old and new vechiles.

France

Similarities

- ❖ All partner cities have bicycles, cars, buses, trains and boats as a transportation vehicles.
- ❖ You can hire a bike from any bike stations by using payment machines.
- ❖ In front of the buses and trains there is a destination sign.
- ❖ You can see old and new version of each vechiles together in İstanbul, in Malaga and in Budapest.

Spain

Ship - Boats

⌘ Main differences is in UK, the drivers are on the right-side.

And Traffic goes on left side. Therefore first look left then right...

⌘ All transportation vehicles' have different colors. Such as bus, train, tram, bike ... etc.

⌘ Because of geographical and historical situations San Bartolomeo, İstanbul and Malaga have narrow streets therefore they have small transportation vehicles.

Planes

Hungary

France

Spain

Turkey

UK

Children love planes. Therefore they prefer much.

TrolleyBus

★ In Budapest and in İstanbul there are still trolleybus.

But in other cities they changed into Tramways.

Tramways

France

Hungary

UK

Spain

Turkey

Children says
«Throug your
journey you can
able to see the city.»

Subway-Underground (Metro)

Hungary

Turkey

UK

Children says
«Underground is
too fast but too
crowded and
dark.»

Coach

Spain
Donkey
Cart

People prefers especially for touristic visits .

Italy

In San Bartolomeo and in İstanbul schools have services for teachers and students.

Actually in London there are school buses but in Wilbury School students are coming with their parents on foot. (Pedibus)
